Brig. General Andrew J. Goodpaster
Staff Secretary
The White House

Dear Andy:

I enclose, for your files, a copy of the Briefing Notes which I used at the meeting which the President had with Congressional Leaders, July 14, 1958, 2:30 p.m., in connection with the Middle East crisis.

These notes were closely followed in my presentation, but with some additions and there was of course, a question-answer period not included in these notes.

Faithfully yours,

Allen W. Dulles
Director
